

G-SNOW

G-Snow is an ultra-white, wood-free coated paper that will help you to deliver fresh and high-quality prints. The paper's smooth surface gives it a distinct and premium feel. Its high bulk guarantees stiffness even at a lower grammage, giving you the advantage of being able to deliver first-class results for every type of job. G-Snow paper also provides continuous excellent runnability and consistent image quality – so you can work hassle-free and every print comes out just as expected.

G-Snow is available both in sheets and reels in various sizes in grammages from 115 to 250 g/m². G-Snow standard products are available as FSC® – The mark of responsible forestry, FSC-C007342, www.fsc.org and PEFC certified, PEFC/05-33-98.

G-SNOW

Grammage (g/m ²)	115	130	150	170	200	250
