

Munken Premium White

We are still able to read books that were printed hundreds of years ago thanks to high quality paper. Munken Premium White has been inspired by that genuine quality and is intended to be kept for many future generations. Munken Premium White is a white, woodfree, uncoated paper with a natural surface that provides excellent readability. The paper is suitable for both black and white and 4-colour print and is ideal for all intricate, beautiful and exclusive printed matter. Munken Premium White is available in both sheets and reels. There is also a cream shaded version: Munken Premium Cream.

Munken Premium White standard products are available as EU Ecolabel, FSC® – The mark of responsible forestry. www.fsc.org. FSC-C020637 and PEFC™ PEFC/05-33-99 certified.
